The "Travel Maker" profile, within the platform, is allowed to post:

1. "Travel Report with Travel Diary".

The "Travel Diary" is a document that includes information collected during the travel or holiday experiences.

The information covers every aspect of the holiday:

- Travel organization (means of transport used) with relative prices and purchase instructions
- Type of accommodation (hotel or other accommodation) with relative prices and purchase instructions
- Restaurants and other places where meals were taken with relative prices and purchase instructions
- Tourist Guides, Entertainment and activities carried out during the trip / holiday with relative prices and contacts
- Incidental expenses and costs incurred
- Tips for handling paperwork

When creating the Travel Report with Travel Diary, the user with a "Travel Maker" profile can choose to free share the information collected during his holiday or to request a payment of €3,00 (fixed and mandatory) for the download of the document he created.

The payment of the "Travel Diaries" will take place outside the "Travel Maker.info" platform according to the instructions sent directly by the "Travel Maker" user to the users who will request to purchase his "Travel Diary". "Travel Maker.info" will NOT retain any fees or compensation on the amounts received by the "Travel Maker".

2. "Travel Report with Travel Proposal".

In this case, the "Travel Report" will show a holiday, already experienced by the user who proposes himself as "Tour Leader" to repeat the experience together with new travel partners.

The "Travel Maker" profile therefore

- suggests to repeat a trip / holiday he has already personally experienced
- calculate the price per person for the holiday / trip based on their direct experience

- takes responsibility of becoming the "Tour Leader" during the holiday
- collects the fees of the other participants and pays all the expenses mentioned in the program
- organizes the trip and takes care of every detail related to the program he proposes
- undertakes to organize the trip ONLY to share expenses between all participants
- by signing this declaration, he undertakes NOT to profit from carrying out this activity

- * The "Tour Leader" is an ordinary person who shares his travel experience. Inefficiencies and setbacks that may occur are not attributable to the "Tour Leader" who does NOT carry out a professional activity.
- * The "Tour Leader" takes part in the trip / holiday as a "tourist" or "travel partner" who shares his previous experience with other people.
- * The "Tour Leader" shares the information and experiences he acquired in previous trips. During the trip / holiday he will have fun, rest and experience the holiday as well as all the other participants.

Travel Maker requires additional information before authorizing the registration of a user in the "Travel Maker" profile.

We check the person's real identity, we keep a digital copy of the identity document and his bank details.

The user registered with "Travel Maker.info" in the role of "Travel Maker" undertakes to pay an amount equal to 2.5% of each fee / person required to organize the trip and to calculate this amount BEFORE posting his "Travel Report with Travel Proposal" in his profile.

If the "Travel Maker" user omits the payment of 2.5% of the collected fees, he will receive a reminder by e-mail. After seven days, if he has not paid yet, he will be canceled from the "Travel Maker.info" site and will no longer be able to register.
